

Country house for sale in Totana
€139,900

This is a great little finca in the heart of Sierra Espuna, Aledo, with 3800 sq mts, with olive trees and fruit trees such as peach, grapes, cherries, and pears. The house has lots of character and is ready to be bit upgraded and even has the option to extend it an extra 60 m2. It has a very small but workable kitchen and a nice-sized living room...
