

Land with Ruin for sale in Estepona

€875,000

This stunning 1879m sq plot in El Paraiso, has a lovely Villa of 348m sq that has severe subsidence and cracks throughout the property. Therefore has been advised as full restoration by architects. Foundations could be reused but the potential in this plot is to take the property back 20m onto higher ground to make use of the amazing sea and golf...
