**Townhouse for sale in**  
**€90,000**

????What if your childhood summer could last all year round? ?????  
 Some houses are bought with your head, but others capture your heart.  
 This property in Cuevas Bajas is one of the latter. It's not just a set of  
 walls; it's a blank canvas with a soul, waiting for you to arrive with your  
 brushes and paint the memories of the next thirty years.
