Office for sale in Guardamar del Segura

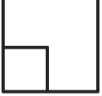

€99,900

Let me show you a great little place: 45?m² (according to the registry), right on the main road into Guardamar del Segura — the one everyone uses, locals and tourists alike. You literally get traffic and visibility all year round!

It's just steps from the bus station, the lovely Reina Sofía Park, and only 600?m from the beach. And guess what...
