

Detached Villa for sale in Redován

€399,969

Some houses are not just built with stone, wood or plans... they're built with stories. This home was born from the love of a family, a shared dream between two people who, in 2001, bought a piece of land at the foot of the mountains to create their refuge — their home. In 2005, they made that dream come true: a solid, beautiful house full of...
